

# Broderers' Guild

*at Norwich Cathedral*

Continuing a medieval tradition of textile work and embroidery as part of Cathedral life.

*See overleaf for Workshop Tours taking place in 2015...*

Established in 1997, the Broderers' Guild is responsible for the upkeep and repair of ecclesiastical textiles, as well as designing and making new frontals and vestments. The Guild also offers its services to parishes and private individuals across the Diocese and further afield, providing restoration expertise, alterations and repairs to existing ecclesiastical work, as well as designing and making new items such as chasubles, stoles and frontals.
